EDUCATION

Post Graduate Diploma in Statistics

| Bowen University, Iwo, Nigeria

Bachelor of Science in Nursing Science

| Delta State University, Abraka, Nigeria

WORK EXPERIENCE

Research Assistant | **TEMINUEL KONCEPTS** | **SEPTEMBER 2019 - PRESENT**

- Conducted statistical analysis using Excel, SPSS, SQL, Python and R to support data analysis and research.
- Interpreted multiple datasets, and provided actionable insights.
- Collaborated with researchers to ensure data accuracy, alignment with objectives.

Graduate Trainee | **NIGERIA INSTITUTE OF MEDICAL RESEARCH, LAGOS** | **JAN. 2024 – JUNE 2024**

- Supported ongoing research initiatives by aiding senior nurses in data collection, analysis, and documentation.
- Organized nursing-related materials, maintained the databases of patient information, and ensured the accuracy and completeness of records.

Nurse Intern | **EVERCARE HOSPITAL, LEKKI** | **JUNE 2022 – JUNE 2023**

- Collaborated with a multicultural team, and exhibited unwavering dedication to customer delightful healthcare services in various units showing commitment to maintaining patient confidentiality.
- By closely monitoring hand hygiene, proper disinfection procedures, waste segregation techniques, and appropriate use of personal protective equipment, I played a vital role in minimizing the risk of healthcare-associated infections.

Sick Bay Nurse | **INTEGRATED CASH MANAGEMENT SERVICES** | **MAY 2021 – JANUARY 2022**

- Administered first aid, dealt with any accidents or emergencies any of the staff incurred, or took care of anyone that falls ill, ensuring the referral of staff who needed further care to the nearest hospital on the HMO for advanced diagnostic evaluation and management.
- Microsoft Word and Ms-Excel among other Microsoft tools were used to draft detailed monthly reports on the staff's utilization of the sick bay, identifying patterns in health concerns, outlining the types of health concerns addressed and the measures taken. These reports provided valuable insights to management and contributed to decision-making processes related to employee health and well-being.
- Prepared bimonthly budget to ensure restocking of resources and monthly inventory of the sick bay for the firm.

LEADERSHIP/VOLUNTEER EXPERIENCE

Volunteer | **LAGOS FOOD BANK INITIATIVE** | **MAY 2022 – PRESENT**

- In alignment with the objective of the organization, I participate in outreaches organized to alleviate poverty in society.

Nurse Intern's Representative | **EVERCARE HOSPITAL LEKKI** | **JANUARY 2023- JUNE 2023**

- Intermediary between the Nurse Manager and the Nurse Interns.
- Employed Microsoft Excel among other Microsoft tools for various functions, including data organization and management, allowing me to function well as the nurse representative to the nurse manager.

Zonal President | **NIFES, WARRI ZONE** | **FEBRUARY 2019 – FEBRUARY 2020**

- Led my team to provide leadership and support for three subzones across 13 campuses in North and Central Delta state tertiary institutions. Overseeing activities, training, facilitating growth, and empowering fellow students, creating an environment conducive for personal, academic and spiritual development.
- During the challenging times brought on by the 2020 pandemic and lockdown, I and my team adapted to the situation by transitioning activities online. We drove operational improvements and leveraging digital platforms to maintain engagement and support the well-being of our members.

TEAM COORDINATOR | **COMMUNITY-BASED EXPERIENCE AND SERVICE (COBES)**

| **JULY 2018**

- Overseer of the 24-member student nurse team with a focus on efficiency.
- Led impactful projects encompassing vaccination drives, health education programs, and the procurement/distribution of vital resources, including but not limited to chairs for the primary health center and neonatal digital scales for the general hospital in the community.
- Led the execution of diverse projects across the community, the general hospital, and the primary healthcare center, showcasing a comprehensive approach to healthcare development.

TREASURER | **MFMC, DELSU CHAPTER** | **2017/2018 SESSION**

FINANCIAL SECRETARY | **BAMSSA, DELSU CHAPTER** | **2017/2018 SESSION**

- Assisted the team in both organizations with the drafting and reviewing of budgets.
- Ensured the needs of the organizations were well prioritized and met in the best possible way.
